About MSBD

In 2015, Muscowpetung established Muscowpetung Saulteaux Business Developments (MSBD). MSBD is tasked with the responsibility to pursue business opportunities and representing the business interests of the Nation in all jurisdictions, across all areas of business.

Indigenous business plays a crucial role in fostering Indigenous independence, wealth creation, and self-determination, contributing to the socio-economic parity for Indigenous people.

Currently MSBD is active in the following sectors; Indigenous Procurement, Renewable Energy, Cannabis, and Broadband Connectivity Services.

In addition to the Nations economic agenda, MSBD provides technical support on many Infrastructure Projects, Governance Legislation Development and various Community Planning initiatives.
