REGISTER ONLINE AT WWW.SASKLEADERS.COM

Don't Miss Saskatchewan's Premier Economic Development Event!

Join urban, rural, remote, and First Nation leaders for innovative solutions, best practices, and strategic networking. Whether you're an elected official, economic developer, planner, or community builder, this summit offers the insights and connections you need to drive prosperity in your region.

Featuring:

- 41 presenters over two days of plenary, workshop and concurrent sessions
- Annual Awards of Excellence presented to eight recipients at the awards luncheon November 4
- Two pre-summit workshops November 3
- Networking event 5 to 7 pm November 4

KEYNOTE: "FROM FRENZY TO FOCUS: FINDING CLARITY AND CONTROL IN THE ECONOMIC CHAOS"

Todd Hirsch is an internationally renowned economist, keynote speaker, and author whose research and work focuses on enhancing adaptability in an ever-changing world. Having had a front row seat to key issues transforming the global economy for the past 25 years, he delivers dynamic, clear-eyed talks on adaptability, creativity, and resilience to help industry and business leaders prepare for a future that is volatile, uncertain, complex, and ambiguous.

KEYNOTE: WEATHERING THE STORM WITH LOCAL AND REGIONAL ECONOMIES

David Beurle is a world-renowned expert on community, regional and organizational economic revitalization. His work extends from the local and regional, through to corporate and governmental levels with a focus on 'future thinking' and long term planning. As the CEO of Future IQ, David serves clients in North America, Europe and Australia, working across cultures, sectors and languages to shape unique and effective planning solutions.

KEYNOTE: STEWARDSHIP VERSUS LEADERSHIP: WHAT SASKATCHEWAN NEEDS NOW

Author and serial CEO, **Dale Botting** has led six major organizations and served as Saskatchewan's Deputy Minister and founding CEO of Enterprise and Innovation Saskatchewan. With academic distinction in Ecology, Geography, and Education, Dale now leads Botting Leadership Inc., mentoring executives across sectors. With humour and grit, Dale reframes leadership as stewardship, grounded in lived experience.

LIGHTS, CAMERA, SASKATCHEWAN!

Creative Saskatchewan and ScreenSask will explore the film industry's structure and share revenue-generating opportunities for Saskatchewan's rural and urban communities.

COLLAB VERSUS COMPETE: A TALE OF TWO CITIES

Economic Development Regina and SREDA(Saskatoon Regional Economic Development Authority) will share their journey of working together in the pursuit of their individual mandates.

REAPING THE BENEFITS OF ECONOMIC CORRIDORS?

Learn how economic and food corridors have been implemented in Alberta and their impacts on industry and communities. Presenter: Trevor Lewington, Invest Lethbridge

COMMUNITY SAFETY & WELLBEING: FOOD SECURITY

Two separate sessions will profile urban and First Nation projects addressing food insecurity through community driven solutions, collaboration and industry partnerships.

AI FOR PRODUCTIVITY: PRACTICAL TOOLS TO SAVE TIME

This 90 minute session aims to reduce administrative time, and improve decision-making. Leave with practical tools and prompt templates to apply and increase productivity. Presenter: Randy Klassen, TR Leadership

HEALTH CARE AS AN ECONOMIC DRIVER

Located at Whitecap First Nation, the groundbreaking Virtual Health Hub facility will facilitate greater access to healthcare for Indigenous, remote and rural communities throughout Saskatchewan. Presenter: Dr. Ivar Mendez

STAGING FOR GROWTH: RURAL INDUSTRY CLUSTERS

Cluster development has been widely adopted as a successful strategy for economic growth and job creation. Learn about the pilot project led by SEDA over the past two years and hear from representatives from three rural clusters on the benefits and what lays ahead.

THE EXPERIENCE ECONOMY AT WORK

Discover the potential to amplify the impact of rural Saskatchewan entrepreneurs in this session with Wynyard based Marea Olafson. Learn how she has shifted her business in two short years and enhanced value to her rural locale.

SETTING MUNICIPALITIES' UP FOR SUCCESS WITH COMMERCIAL RENEWABLE ENERGY DEVELOPMENT

This session will provide practical, actionable advice for navigating these opportunities and challenges, helping communities across the province understand both the risks and benefits of renewable energy investments in their jurisdiction

THE ROLE OF LEADERSHIP IN ECONOMIC DEVELOPMENT

Economic development is a process driven by local and regional leaders. Our panel of elected officials will share how successful development efforts have been guided in their municipalities and First Nations.

COMMUNITY DRIVEN HOUSING

Presenters will discuss the housing conundrum and potential steps to solutions. We ask attendees to be prepared to share incentives and strategies being implemented in their own communities.

INVESTING IN RURAL COMMUNITIES: WHAT IS THE SECRET SAUCE?

Join our panel of serial entrepreneurs and discover what has driven their investment in multiple rural businesses.

Hear from STARTUP TNT's Jesse Wiebe on the importance of activating private investment to economic development and what is preventing that from happening naturally.

Discover current best practices on raising funds at a community level for projects and capital.

ECONOMIC DISRUPTIONS: RESILIENCE, RESPONSE & RECOVERY

Alberta's Leann Hackman Carty will lead a two hour Resilience & Recovery workshop, sharing her valuable insights and practical tips based on communities that have been impacted by wildfires and floods.

BRIDGING GAPS IN WORKFORCE DEVELOPMENT

CAREERS is a unique, industry-led public/private not-for-profit foundation established in 1997. Find out how they bring together industry, schools, government, and communities to guide youth into successful career paths close to home!

THE CONTENT CRUNCH: HOW THE ROLE OF ECONOMIC DEVELOPERS IS EVOLVING

This session reveals what a national survey of 200+ professionals uncovered about the shifting demands of the role – from rising expectations to real-world challenges. You'll learn why content creation, data storytelling, and visual communication are becoming core skills – and what leading teams are doing to keep up.

STRATEGIC MOVES: TOOLS FOR NAVIGATING CHANGE IN A WORLD OF AI

Todd Hirsch has identified 16 unique traits that are present in successful adaptors. In this 60 minute workshop, Todd will dive deeper into 5 of the most relevant traits to today's community and business environment:
