

Community Fund Development

A comprehensive approach to fundraising in a community economic development context

A passive online program that equips staff and volunteers with effective fund acquisition techniques and worksheets to develop their own fund development plan.

Build a proactive, integrated 7 Step Approach Plan for project-based or ongoing community needs.

Participants receive access to an audio recording and manual for each lesson, along with worksheets and templates.

Registration Fees: \$175 member/\$275 non-member

Contact SEDA • 306-242-2752 • seda@seda.ca

The program features seven lessons:

1. Introduction to Community Fund Development
2. Creating a Fund Development Plan Steps 1 to 4
3. Creating a Fund Development Plan Steps 5 to 7
4. Institutional and Corporate Funders
5. Individual Donors
6. Long Term Revenue Generation
7. Public Relations

Infrastructure, facilities, programs, and special events can all benefit from this proactive strategy.
