

As an evolving dynamic organization, Moosomin First Nation Economic Development Ltd (MED) is in search of a **Chief Executive Officer (CEO)** to **advance the organization to the next generation of growth and prosperity** through creating and implementing a sustainable business model. The CEO position represents a unique exciting opportunity to lead in building endeavors that capitalize on existing and future economic development opportunities that create dividends for the primary shareholder, Moosomin First Nation of Saskatchewan.

Operating under a governance model reporting to a Board of Directors, the visionary results orientated leader will apply sound business principles and practises in strategic and operational planning, financial management and performance measurement ensuring appropriate reporting and accountability. The CEO will also develop and manage land assets with the purpose of building profitable ventures that meet the obligations and needs of the partners, stakeholders and shareholders.

The contracted CEO working via a virtual office will lead in identifying, analyzing, assessing and implementing quality opportunities while building, nurturing and advancing beneficial relationships through engaging and representing MED with potential key partners, shareholders, governments, regulatory agencies, businesses, professional associations, networks and other stakeholders.

If you are inspired and enthusiastic in advancing economic initiatives for the benefit of Moosomin First Nation and people of Saskatchewan and have the following **Education and Experience**:

- Awarded post-secondary University Degree, preferably in Business, Economics, Finance or other degree relevant to the position
- Minimum of five years of senior leadership experience
- Financial analysis and management experience
- Experience providing analysis, advice and guidance on complex issues
- Demonstrated negotiation skills
- Experience developing and nurturing positive collaborative partnerships and networks
- Experience working with a diversity of technology software and platforms

Assets to be considered but not required are:

- Awarded Masters Degree in Business Administration or Masters relevant to the position
- Experience managing or operating a successful business
- Experience in raising capital for new business ventures
- Experience working with a board/council governance structure
- Experience with community and business leaders
- Experience working with Indigenous Nations, Indigenous Political Structures and Federal and Provincial Indigenous Funding Sponsors

you will want to apply for this opportunity by submitting your resume and cover letter in confidence to hello@sustainablemanagement.ca by no later than **November 27th, 2023**.

The ideal candidate although **working from a virtual office would be ideally physically located in Saskatoon or Regina** Saskatchewan. The Board will be considering offering a three year contract initially with an option for extension.

We sincerely appreciate your interest and thank all applicants for applying; however, only those considered for an interview will be contacted directly.

Moosomin Economic Development is governed by the MED Board of Directors as an operating entity of Moosomin First Nation in the Province of Saskatchewan. MED formed in the fall of 2018, is responsible for developing and managing assets and land holdings in excess of \$10 million.
